

Congressman John H. Adler Third Congressional District of New Jersey

GENERAL INFORMATION FOR SERVICE ACADEMY APPLICANTS

Due to the extremely keen competition for nominations, you are urged to apply to every nominating authority which your eligibility allows: (i.e. Senators Lautenberg and Menendez, Presidential, Vice Presidential, Children of Deceased or Disabled Veterans, etc.). However, if you receive a nomination from another source, I will not be able to duplicate that nomination. Since the academies are able to award more appointments than are provided by Congressional vacancies and other categories, no candidate who is highly qualified needs more than one nomination to obtain an appointment. Please let my staff know immediately if you receive a nomination from another authority or you are withdrawing your nomination request.

Each applicant for a nomination must meet the following eligibility requirements as of July 1 of the year of entry to a service academy:

Age:	Be at least 17 years old, but have not passed your 22 nd birthday
Citizenship:	Be a United States Citizen
Marital Status:	Be unmarried, not pregnant, and have no legal obligation for the support of a child or other dependents.
Domicile	Must reside within the 3 rd Congressional District

Under the competitive method, candidates selected for nominations by the Academy Nomination Review Board will be evaluated by the respective academies. The Academies, themselves, will offer the final appointment.

NOTE: There are no Congressional nominations to the United States Coast Guard Academy. Selections are made competitively on the basis of composite of academic factors and leadership potential, extra-curricular activities, physical fitness, and recommendations. You must contact the Coast Guard Academy directly for information on this process.

Normally, a competitive candidate will have SAT scores above 500 verbal and 550 math, or ACT score above 22 English and 26 math, and will stand in the upper fifth of his/her class. The higher your scores and class standing, the greater will be your chances for a nomination, assuming you meet the qualifications in the remaining areas of consideration.

After nomination to one of the academies, the Service Academies Central Medical Review Board will schedule each candidate for a medical examination, usually at the military facility nearest to his/her home, along with a physical aptitude test.

Applicants who apply through more than one nominating authority are often confused due to different procedures used. Last minute misunderstandings can be avoided by carefully studying and following the instructions of each office to which you are applying.

The application form should be completed and returned to my Marlton office as soon as possible but **no later than October 1, 2010**. You should not wait to file your application if transcripts or test scores are not immediately available. You should also complete a preliminary application online for each academy you are interested in attending, as follows:

Air Force Academy at www.academyadmission.com

Merchant Marine Academy at www.usmma.edu

Military Academy at <http://admissions.usma.edu/>

Naval Academy at www.usna.edu/Admissions/pre-application.

REMEMBER: IT IS YOUR RESPONSIBILITY TO INSURE THAT YOUR FILE IS COMPLETE AND THAT ALL NECESSARY INFORMATION HAS BEEN RECEIVED BY THE DEADLINES. PLEASE FEEL FREE TO CALL OUR OFFICE TO CHECK.
